## DECALS

For reference only

There are **no** decals on the exterior of the 2000 Land Yacht 35ft. diesels. Many places, especially the logos, will appear to be decals but are actually painted.

Each vehicle has been provided with a sheet listing the color codes on that particular motorhome. Also, each motorhome is shipped with touch-up paint for each color.

A back-up color chart for each motorhome is kept in Airstream's files. If calling Airstream for this information ask for "Sales" and have the serial number available for them.

### PAINT

Each vehicle has been provided with a sheet listing the paint color codes on that particular motorhome. Also, each motorhome is shipped with touch-up paint for each color.

A back up color chart for each motorhome is kept in Airstream's files. If calling Airstream for this information ask for "Sales" and have the serial number available for them.
