DECALS, EXTERIOR

There are few decals on the exterior of the Land Yacht XL 390 Diesel. Many places may appear to be decals but are actually painted.

Each vehicle has been provided with a sheet listing the color codes for paint on that particular motorhome. Each motorhome is also shipped with touch-up paint for each color.

A back-up color chart for each motorhome is kept in Airstream's files. If calling Airstream this information ask for "Sales" and have the serial number available for them.
