AIRSTREAM

1957
MODEL

18-foot

★ ★ Featherlite WANDERER ★ ★

The smallest Airstream in our cruising fleet. Effortless trailering. Loaded with conveniences for both short vacations and extended travel. A truly sensational sportsman's trailer.

• Our famous all riveted, all aluminum, featherlite construction is featured in this 18 ft. cruising Airstream. Built for a lifetime of service, it is replete with features demanded by trailerites that want a combination of compactness, maneuverability, and large trailer convenience. Here is truly effortless trailering.

• Surprisingly spacious due to a unique wide open interior arrangement, it features beautiful blonde finish hardwood cabinets, smart Airliner curtains and comfortable airfoam sleeping accommodations for four. An optional airfoam bunk bed can be installed to sleep a fifth person. Every detail has been carefully worked out even to the rounded bentwood corners on the rear cabinets which eliminate sharp projections.

• Optional extra features are available to equip the "Wanderer" for complete self sufficient camping in alluring places where normal facilities are not available.

• Wonderful for use as a fine sportsman trailer at your favorite beach or trout stream. It serves equally well for extended cruising and caravanning. See your nearest Airstream dealer for particulars.
