

## STANDARD SPECIFICATIONS

Every Airstream is built to the same rigid construction standards. Chassis, running gear, body design and basic equipment are uniform on all Airstreams, regardless of model or series. All Airstreams have 12-V electric brakes on every wheel. All are completely self-contained . . . they have the equipment necessary for extended stays away from light, water and sewer connections. The difference between the Land Yacht and the International Land Yacht series is in the degree of self-containment, amount of accessory equipment included and quality of interior furnishings. The Land Yacht series comes equipped with an automatic water system (including Univolt marine water pump and 30 gallon polyethylene water tank) ; Univolt electrical system to provide power at all times to all interior lights and fans (in addition to the 110-V wiring for convenience outlets) ; 12-V battery; a battery charger with a protective voltage regulator; two five-gallon gas bottles; combination electric/gas refrigerator; stainless steel galley sinks; gas water heater; marine-type toilet with spray flushing device to conserve water; and the Airstream sanitarior to provide toilet convenience away from a sewer hook-up. The International Land Yacht series represents the ultimate in travel completeness and luxury. In addition to the basic Land Yacht equipment, it includes: two 7 gallon gas bottles; an automatic switch-over regulator for gas bottles; a water purifier, two Univolt ceiling fans; a Univolt range exhaust fan; two 12-V outlets for shaver and other appliances; a battery condition meter; a large, adjustable no-draft plastic Astrodome vent; two sink covers with cutting boards; a galley hand spray; deluxe plumbing hardware; an exclusive shower fold-away enclosure; double reflector tail lights; bedroom wall comfort cover; bedspreads; deep pile, Herculon carpet in all areas except the bathroom; and deluxe hubcaps.

- Patented Air-Flow contoured shape
- Exclusive Aero-Stress® high-strength steel undercarriage
- Molded steel bumper, welded to undercarriage
- Exclusive super Dura Torque® rubber torsion bar axles
- Shock absorbers on all wheels
- Tandem wheels on 24' Trade Wind; 26' Overlander; 28' Ambassador and 30' Sovereign of the Road
- 12V Electric brakes on all wheels—can be coordinated with foot brake pedal in car
- Automatic electric break-away switch
- 7:00 x 15 Truck-type extra strength wheels with nylon tubeless tires (8-ply on all single axles; 6-ply on tandem axles); 7:75 x 15 4-ply tubeless tires on 17' Caravel
- Hand riveted double-shell body of heat treated structural alloy aluminum
- Exterior protective plastic coating
- Wear-resistant vinyl surface laminated to metal interior walls in all models
- Ribs of stretch-formed structural alloy aluminum
- Contoured aluminum window frames, riveted to body
- Contoured, frameless, awning-type, safety glass windows
- Corrosion-proof removable screens in all windows (slip-in storm windows available for winter travel)
- Front window guard of transparent butyrate
- Insulated, unitized main and screen door
- Exclusive touch-control fold-away steel step, welded to frame
- Polished aluminum grab handle
- Trunk compartment with lock and insulated door
- \*Rear service area for storage of water line, 110V power cord, power line fuses, and septic tank valve
- Univolt convenience light in rear service area
- \*Awning rail
- Seamless, dustproof, high impact Styrene wheel housing covers

• Removable, no-draft aluminum roof vents  
 • Entire body, under floor and over wheel hous-  
 ing 1/4 inch aircraft type fiberglass insulation  
 • Grip on jack handle  
 • Weatherproof exterior 110 volt outlet  
 • Plug weatherproof car-trailer connector (includes  
 charge line)  
 • 12 volt battery  
 • On-board controller  
 • Lead-in wire in shell  
 • Service available at all standard roof vents  
 • 110 volt service line (25 feet)  
 • And D.O.H. Code-approved wiring system  
 • 110 volt convenience outlets  
 • Position univolt interior lights (operate on 110V  
 current)  
 • Recharge 90 ampere hour 12 volt battery in vented case  
 • Located on 17' Caravel and 20' Globe Trotter with 72  
 hour 12 volt battery)  
 • Recharge quick-disconnect plug for battery terminals  
 • Recharge with protective voltage regulator  
 • Automatically resetting circuit breakers on univolt and  
 110V wiring system  
 • Add safety fuse cartridges on univolt wiring system  
 • Breakers on 110V wiring system  
 • Corrosion-resistant 180° visibility exterior clear-  
 and running lights  
 • Automatic water pressure regulator in water inlet line  
 • 12 marine water pump (Capacity 3 gallons per  
 hour)  
 • 12 gallon polyethylene water tank  
 • Level gauge on water tank  
 • And D.O.H. Code-approved plumbing system  
 • Faucet at galley sinks (except in 17' Caravel and  
 20' Globe Trotter)

- Double galley sinks in all models (except 17' Caravel and 20' Globe Trotter)
- Exclusive all-fiberglass penthouse bathroom
- Fiberglass bathtub in all models (except 17' Caravel which has Fiberglass "walk-thru" shower)
- Fiberglass lavatory
- Built-in medicine chest
- \*Built-in univolt shaving light
- \*Built-in clothes hamper
- Imported water-saver "telephone" shower with shut-off valve
- Toilet hand spray flushing device
- Marine type toilet
- Fiberglass sanitizer of approximately one week capacity
- Drainage drop-out cover cap
- Drainage drop-out elbow for connecting sewer hose
- Built-in sewer hose carrier
- All gas equipment U.L. or A.G.A. Approved for use in travel trailers
- Double-five gallon gas bottles with rack
- A.S.A. and D.O.H. Code-approved gas system
- Sealed unit, side-vented gas space heater (input ratings: 17' Caravel, 9600 B.T.U.; 20' Globe Trotter, 16,000 B.T.U.; all other models, 22,500 B.T.U.)
- Automatic heating thermostat in all models
- Univolt blower and over-the-floor circulating ducts on all models 22' and larger
- 5.5 Cubic foot combination electric/gas refrigerator (except in 17' Caravel with 2 cubic foot gas refrigerator and 20' Globe Trotter with 3.5 cubic foot electric/gas refrigerator)
- Gas range with oven and broiler
- Range vent hood
- Nine-gallon gas water heater (except in 17' Caravel with 7 gallon gas water heater)

- Genuine hardwood veneer furniture and cabinets (natural ash in Land Yacht series... American cherry in International series)
- Lightweight, warp-free hollow core wardrobe doors
- Travel-Sure locks on all roof locker doors and cabinet doors
- Drawers of lightweight molded high-impact Styrene
- Variable storage for all drawer areas (can be used for drawers, as shelves or as open storage)
- Enclosed towel-drying storage (except in 17' Caravel and 20' Globe Trotter)
- Silverware drawer
- Front end roof cabinet
- Magazine rack (except in 20' Globe Trotter and 22' Safari twin bed model)
- Credenza fold-away table with built-in extension leaf except in 22' Safari twin with pull-out table)
- Foam rubber travel lounge in front, convertible to double bed (except in 22' Safari twin with twin lounge beds in front and 30' Sovereign of the Road with twin convertible sectional sofas in front)
- \*6" Foam rubber mattresses with zippered covers
- All upholstery Scotch-guarded to resist soiling
- All curtains vat dyed, fade resistant and pre-shrunk
- \*All curtains lined
- Decorator-styled, washable vinyl window shades at galley and bathroom windows
- Mirror
- Slide-away hollow core bathroom door (except 17' Caravel which has vinyl folding door)
- Bedroom vinyl folding door in 24' models and larger
