

# Wide Body

Available in the Excella or top-of-the-line Limited versions, the 34' Widebody provides all the living space and storage capacity you'll need for the most comfortable travel you'll ever experience. After all, you deserve the best, and now is the time to reward yourself with the best RV investment value around.

Using only the finest materials, and top-quality appliances, the Widebody trailer is a plush, superbly hand-crafted vehicle which lets you travel with all of the comforts of home. Step inside and see what luxury really is. Designer fabrics, the warmth and beauty of solid oak, deep-pile carpeting, and stylish wall and window treatments all tell you that this is the trailer you've been waiting for.

For maximum privacy, the bathroom is fully self-contained. A folding door at the front of the hall allows the wardrobe area to be converted to a convenient dressing room.
