

IT'S THE GREATEST CUTTER EVER!

Its Freightliner chassis gives you safe, sure handling plus all the carrying capacity you're likely to need, while the 230 HP Cummins diesel (or optional 275 HP Caterpillar) provides steady, reliable power for any driving conditions. And with its new front-entry door, the Cutter 35 is the finest, most "residential" floorplan we've ever designed.

Best of all, the Cutter 35 comes to you fully loaded with all of your favorite features:

- 6.5-kw LP generator
- 13.5M BTU air conditioners
- 5,000 lb. GVW hitch
- Leather cockpit seats
- Powered driver seat
- Convection microwave
- 19" TV in dash
- DSI water heater w/Motor Aid
- Fan-Tastic® fan in Galley
- 5-watt solar panel
- Recessed fluorescent lighting
- Patio awning
- Pleated shades

And, of course, Cutter is covered by Thor's exclusive "2+2" warranty: 2-year structural and 2 years on major components.
