AIRSTREAM 26 FT. OVERLANDER

Tandem wheels shown, optional at extra cost

The Overlander is an all-around star. Within its generous 26' length there are wonderfully comfortable sleeping accommodations for four (or six by adding fold-away bunk beds at slight additional cost), a complete kitchen, bathtub and shower, separate toilet and lavanette with privacy insured by two folding doors. Long vacation trips with even a large family are practical for the Overlander—or it serves as a luxurious "home away from home" for those who like to keep on the move. Optional extras such as butane refrigerator, butane water heater, pressurized water supply, septic tank and battery operated electrical system provide independence from outside sources in the remotest areas. A veteran of Wally Byam Caravans on three continents, the Overlander is your magic carpet to travel-adventure.
